DETAILED ACTION

Claims 1-13 are pending in the application and claims 14 and 15 are cancelled in the amendment filed on 12/27/06.

Any rejections from previous office actions that have not been reiterate in this office action are obviated.

Response to Arguments

1. Applicant's arguments filed 12/27/06 in regards to the Luthra et al. (WO 03/002157 A1) reference have been fully considered but they are not persuasive.

Claim Rejections - 35 USC § 103

2. The following is a quotation of 35 U.S.C. 103(a) which forms the basis for all obviousness rejections set forth in this Office action:

(a) A patent may not be obtained though the invention is not identically disclosed or described as set forth in section 102 of this title, if the differences between the subject matter sought to be patented and the prior art are such that the subject matter as a whole would have been obvious at the time the invention was made to a person having ordinary skill in the art to which said subject matter pertains. Patentability shall not be negated by the manner in which the invention was made.

3. Claims 1-13 are rejected under 35 U.S.C. 103(a) as being unpatentable over Luthra et al. (WO 03/002157 A1) in view of Goodman (WO 97/17092) as stated in the office action mailed 9/29/06.
4. Applicant asserts that the invention of the Luthra et al. (WO 03/002157 A1) reference is owned by the applicant.

5. This is insufficient to exclude this reference under the 35 U.S.C. 103 (a) exclusion because applicant failed to state that they were commonly owned at the time of filing.

Conclusion

No claims are allowed at this time. Inclusion of the statement suggested above would provisionally put the claims in condition for allowance.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
